

Guarding Retrofits Features and Benefits

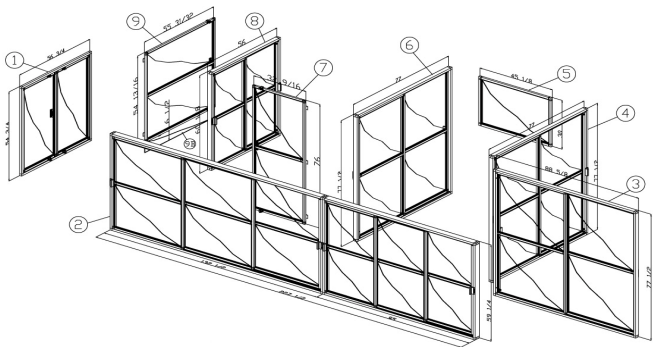

Edson can help you retrofit old machines to comply with current state or federal safety standards. If there is no budget to replace older equipment, Edson can provide a guarding retrofit recommendation that will keep your machines in operation for years to come.

Edson can apply guarding & safety systems to both Edson and *non-Edson* packaging machines. Edson can supply guarding solutions that are either machine mounted and/or floor mounted. Electrical guarding systems to any desired safety category can be supplied.

Guarding & Safety Types

- Fixed Barriers
- Sliding and Swing Doors
- Swing Up Gull Wing Door
- Interlocking Switches
- Light Curtains, pressure mats
- Trapped Key Systems
- All makes and models – AB, Fortress, Schneider, Siemens

Comply with Safety Legislation

✓	SAFETY
	PERFORMANCE
	RELIABILITY
	ENERGY EFFICIENCY
✓	OPERATOR CONVENIENCE
